Catholic Federation Convention Programme.

Louisville and Kentucky stands ready and welcomes the American Federation of Catholic Societies, which will bring here one of the most interesting and important assemblages ever held in this section of the country. For nearly a year the Louisville Federation and the Catholic societies of the city have been at work preparing for this great event, which will mark an era in the Catholic history of the Bluegrass State. President Peter Ganz, Chairman Eugene Cooney, Treasurer Jacob Hubbuch and Secretary James B. Kelly have labored continuously, and it is only proper to state that the success that will crown their efforts is largely due to the generosity and assistance of Col. John H. Whallen, who has been the moving spirit in all that has been done since the first of the year and alone is responsible for the great parade that will pass over our streets tomorrow.

The Federation will bring to Louisville distinguished members of the Catholic hierarchy, including Apostolic Delegate John Bonzano, Archbishop Messmer, Archbishop Blenk, Bishop McPaul, Bishop Chartrand, Bishop Alerding, Bishop Thien, Bishop Dunne, Bishop Lillis, Bishop Gunn, Bishop Canevin, Bishop Hartley, Monsignor Lavelle, Father Wynne, E. J., Father John Talbot Smith, Monsignor Supple, Monsignor Keeling and many other priests. Also there will be the Catholic editors of the country and the officers of our great Catholic societies, representing the Catholic Knights of America, Ancient Order of Hibernians, Knights of St. John, Catholic Knights and Ladies, Young Men's Institute and the hundreds of other orders who have been supporters of the Federation since it was founded. From all sections of the country will come delegates and visitors, who will depart when the convention adjourns saying Louisville made good in the way of extending genuine Kentucky hospitality.

Only a glance is needed to show how well every detail has been arranged. Tomorrow morning the delegates will assemble at the Galt House and then proceed to the Cathedral of the Assumption, where solemn Pontifical high mass will be celebrated by the Most Rev. John Bonzano, Papal Delegate. The Right Rev. Bishop McPaul, of Trenton, will preach the sermon, and a special musical programme will be rendered during the mass.

At 1:30 o'clock the parade, greater than any the present generation has ever witnessed, will begin its march, making a display that will never be forgotten.

At the meeting Tuesday night Col. Whallen announced the appointment of Grand Knight Klapheke as chief marshal, and the following division marshals:

St. Augustine, Alfred Brown; Ancient Order of Hibernians, M. Muldoon; St. Agnes, George J.

Wachter; St. Andrew's Society of St. Anthony's, Peter Hauser; St. Aloysius, William Cushman; St. Boniface, John Tobie; St. Ann's, Patrick Fallon; St. Brigid, Charles Barker; St. Cecilia, Thomas Hayden; St. Columba, Joseph Lochner; St. Charles Borromeo, J. L. Hackett; Catholic Knights of America, Charles Hill; Columba Athletic Club, William Larkin; St. Elizabeth, Henry Baynes; St. Francis of Rome, Philmore Sherman; St. Francis Assisi, Joseph Discher; Catholic Order of Foresters, V. Wellington; St. George, Matt Cassin; Holy Cross, P. M. O'Reilly; Holy Trinity, Joseph Hodges; Holy Trinity, St. Matthew, Lawrence Stinch; St. John's, E. L. Moll; St. James, F. Bauer; St. Joseph's, Mike Martin; Knights of Columbus, J. William Klapheke; Knights of St. John, H. A. Vonderhite; St. Louis Bertrand, William J. Mackin; St. Michael's, Charles Cherry; St. Mary Magdalene, Paul J. Coleman; St. Martin's, Joseph Goss; St. Paul's, Henry Schaeffer; St. Peter Claver, Father Constantine; St. Joseph Orphanage, George Springman; St. Patrick, M. J. Lovett; St. Peter's, F. Leonard; St. Philip Neri, L. Lichter; St. Vincent de Paul, Henry Bottmeyer; Y. M. C. A. William Link.

The members of the Committee of Arrangements are greatly indebted to William A. Watts, Secretary, Treasurer of the Chess & Wymond Company, for the generous donation of seventy-five barrels to be used for ice water for the marchers. Mr. Watts and his enterprising firm can rest assured that their contribution will be generously appreciated by the weary marchers tomorrow afternoon.

St. Louis Bertrand's can probably boast of the oldest man in the line of march on foot tomorrow, and that is Joseph Cole, eighty-one years of age. Mr. Cole is still hale and hearty and states that he will keep pace with any of the younger ones from the start to the finish.

An interesting feature of the parade will be the many artistic and beautiful floats, notably those of the Knights of Columbus, Catholic Knights of America, St. Louis Bertrand's, St. Patrick's, St. Michael's, St. Charles and Holy Cross parishes, the Y. M. C. A., Columba Athletic Club, Ancient Order of Hibernians, Presentation Academy, Sacred Heart Academy. In the line there will be at least fifty others.

The float of the Hibernian Ladies' Auxiliary will be historic and artistic. On this will appear the eighteen ladies of the degree team, their color being green, white and gold intermingled with red, white and blue. Those in gold will represent the pagan era in Ireland and those in green the Christian era. Queen Erin will wear both green and gold and white, to signify both periods united by the mantle of Christian charity. Columba and Erin will be seated side by side, expressing the loyalty of the sons and

daughters of Erin to the Stars and Stripes and the Liberty Columbia extends them in return. With the harp will be the exiled Daughter of Erin, thinking of home and loved ones. The front of the float will bear a Celtic cross, at the foot of which will be St. Brigid, patroness of the Ladies' Auxiliary, and three Daughters of Erin, portraying the women that St. Brigid led to devote their lives to the church. Also seated beside the harp will be a lady attired in red with chieftain's star on crown, representing Owen Roe O'Neill and the bravery of the Irish soldiers. Amid the flowers will be two jardienniers of growing shamrocks. These and the ribbon on the harp have just arrived from Ireland.

Tomorrow evening at 8 o'clock there will be a mass meeting at the Armory, when Right Rev. Denis O'Donoghue, Bishop of Louisville, Gov. McCreary and Mayor Head will be in attendance. The response should be given by National President Edward Peeney, of Brooklyn. Two other addresses will be delivered by Most Rev. John Bonzano, Papal Delegate, and Archbishop Messmer.

Beginning Monday two business sessions will be held daily, at 9 and 2 o'clock. In the evening there will be a grand reception and musicale at the Armory, the musical programme for which has been arranged by Prof. Anthony Molengraff. The professor is a graduate of the Cincinnati Conservatory of Music and for the past nine years has been director of St. Boniface's choir. He is also director of the Musical Union and the Liederkreis Society, and conducted the last May Music Festival given in Louisville. His success in this line has been marked and with the past as a criterion the coming concert will be assured triumph.

The chorus will number 500 voices. Tuesday morning the convention will attend solemn requiem mass for deceased members at St. Boniface church. At 8 o'clock at the Armory the closing mass meeting will be held, when addresses will be made by Bishop McPaul, Lieut. Gov. McDermott, Rev. J. H. Dorsey, the colored priest, and Hon. John S. Leahy. At this meeting the greeting from the Catholic Indians by Chief Hollow Hornbaker will be interpreted by the Rev. H. I. Wistrop.

Final sessions and election of officers will be held Wednesday, and the whole will conclude with the grand banquet that evening at the Galt House. Eugene Cooney will officiate as toastmaster, and responses will be made by Bishop O'Donoghue, Hon. John P. Chew, Judge M. O'Doherty and others.

The convention headquarters have been moved to the Galt House, where Chairman Cooney and Treasurer Jacob Hubbuch are in charge, and it is here all returns should be made and information procured.

Col. John H. Whallen, Chairman of the Parade Committee, on Monday completed the formation for the

JUBILEE

Father Bachmann Celebrates His Fiftieth Anniversary.

Rev. Father Engelbert M. Bachmann, the venerable chaplain of St. Joseph's Orphan Asylum and one of the most beloved priests in this diocese, celebrated his golden jubilee Tuesday. Fifty years ago Father Bachmann was ordained a priest, and in celebration of his golden jubilee Right Rev. Bishop O'Donoghue and many of the clergy attended a banquet and concert in his honor at St. Joseph's Orphan Asylum. Wednesday morning Father Bachmann sang his jubilee mass in the orphanage chapel, many clergy and laymen attending. Father Bachmann was ordained by Bishop Spaulding at the Cathedral of the Assumption, August 15, 1862. He was then twenty years of age, having been born in Germany in 1842. He came to Louisville with his parents in 1850. His first charge was as assistant rector of St. Mary's church on Eighth street. He was made rector of St. Andrew's church and remained there until 1872, when he was placed in charge of St. Joseph's church at Owensboro. He returned to Louisville as assistant pastor of St. Patrick's church in 1873, remaining there three years. From 1881 until 1902 he was chaplain at the convent of the Sisters of the Good Shepherd, and during the next four years acted as chaplain at St. Anthony's Hospital. He went to St. Joseph's Orphan Asylum in 1906.

ORPHAN PICNIC

People Should Turn Out and Help Worthy Charity.

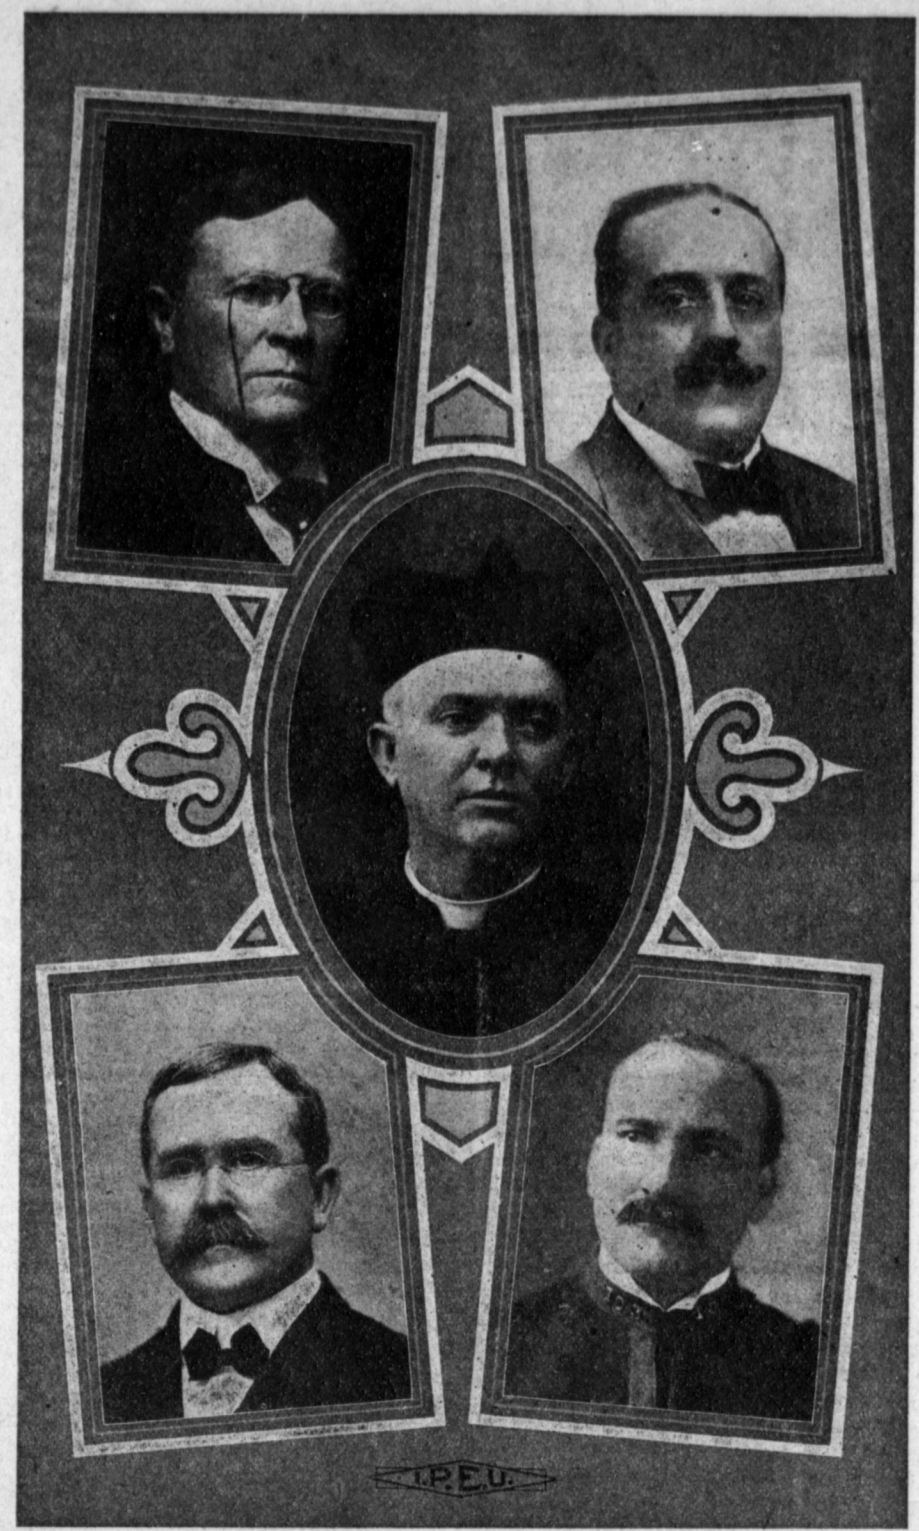

The time for the annual picnic for the benefit of St. Joseph's Orphan Asylum is at hand. There is no charity which should appeal to Christian men and women as that of the support of parentless children under the care of the good Sisters of Charity. Plans for this year's picnic, which takes place on the asylum grounds next Wednesday, have been making for months, and the programme and amusements will surpass those of any former year. An invitation to men and women of the general public, and the response should be commensurate with and in keeping with the worthiness of the cause. From our citizens a substantial amount should be forthcoming for the maintenance of St. Joseph's Asylum and its 200 orphans during the coming year. There will be entertainment for young and old, including open air band concerts, shows, field games, etc., an elegant dinner and supper, and at night a brilliant electric illumination of the asylum and grounds. The officers and members of St. Joseph's Orphan Asylum are doing a grand work, and it is to be earnestly hoped their picnic will prove the most successful ever given. The Crescent Hill line, which passes the grounds, will run extra cars that day.

COMES WITH BRIDE.

Edward Canty, formerly of this city but for some time past located at Princeton, Ind., gave his relatives and friends a surprise when he arrived here last week with his bride, who was Miss Mary Reilly, an attractive and charming Princeton girl. They were married by the Rev. Father Walsh at St. Joseph's church, but kept the news from their Louisville friends until their arrival. While here they were the guests of the groom's mother, Mrs. Mary Canty, 2210 West Madison street, where a legion of friends called to extend congratulations.

HEVERIN—WORLD.

Invitations have been received to the marriage of Miss Marie Sue Heverin, daughter of Mrs. Josie Heverin, and Leo Francis World, which will be solemnized at a nuptial high mass at St. John's church, Clay and Walnut, on Tuesday morning, August 27, at 8:30 o'clock. Miss Heverin is a girl with many pleasing traits of character and has been a favorite among her friends. The fortunate groom is a young man of high standing in Catholic and business circles, with a wide circle of friends and acquaintances throughout the city.

LOUISVILLE, KY. SATURDAY, AUGUST 17, 1912

WELCOME.

With the people of Louisville and Kentucky we welcome the American Federation of Catholic Societies to our midst, and trust that what they see here will ever remain a pleasant memory. Louisville is a great city, and to its credit be it said the non-Catholics have been most generous to their Catholic brethren in assisting and preparing for the proper reception and entertainment of the distinguished gathering that will be with us next week. That wisdom will mark the deliberations of this eleventh annual convention is certain, which makes for results beneficial to all classes, Catholic and non-Catholic. May every success crown your every act, and we hope that when you depart it will be with a desire to again return to Louisville.

NOTICE AND PROFIT.

The Kentucky Irish American would suggest to the Guardians of Liberty, the Junior Order and their kind, that they watch closely the proceedings and every utterance of the Catholic Federation that meets here next week. Should they do this they will learn the spirit and lesson of true patriotism and loyalty to God and country and remove from their hearts the prejudice now existing therein. The spirit of toleration and fairness that will characterize this convention and the great demonstration that will take place tomorrow should remove every vestige of hostility that exists against such a large element of our population simply because of their religion, which teaches more than any other loyalty to God and country. True it is that the above mentioned societies are made up of the ignorant, led by a few evil-minded and selfish malcontents, who have neither patriotism nor principle. But like all such movements, they will fail when exposed and their discreditable purposes become known. The Catholic Federation breathes the Christian spirit which should prevail everywhere, and if our suggestion were honestly heeded all would see the utter absurdity of the Guardians and Juniors, which are out of place in a free and glorious country like ours. Again we say watch the Federation convention, take home to yourselves its declarations and recommendations, and acting in like spirit, you will all become better and more patriotic citizens of this great, glorious and free country.

HOPE IN FUTURE.

The belated explanation made to the Evening Post in its Thursday's issue by Postmaster R. E. Woods, telling why several hundred copies of the Kentucky Irish American of July 27 were not delivered until August 7, and how the missing sack of papers was found in the headquarters of the Evening Post, only emphasizes the fact brought out in the O'Donnell trial that a change is needed badly in the local office. Louisville citizens can console themselves with the fact that no matter who is elected, Taft or Wilson, the present Post Office regime is due to vacate.

WHO THEY ARE.

Neither the "Jack Sullivan" or the "Paul Kelly," who have been so frequently mentioned in connection with the Rosenthal murder case, have a drop of Irish blood coursing through their veins. The latter is a Sicilian, who has assumed an Irish name, to suit his own purposes, and the former is a Jew, who received from his parents the name of Jacob Reich, which he changed to Jack Sullivan. These are not the only instances of non-Irish criminals hiding their identity under Irish names, which police officials and court officers well know. Thus far not one identified with the Irish race has been connected with the foul murder.

FAITHFUL TO PROMISE.

The vote of the workingman will be eagerly sought by the politicians in the coming campaign, but labor will not be deceived. Its vote will be cast for the party that has kept its word, and already the subject is being given earnest consideration. What the Democratic party has done for labor was discussed in the House last Saturday by Representative Wilson, of Pennsylvania. Congressman Wilson declared that the present House had redeemed every promise made to labor in the Denver

platform four years ago and was therefore "entitled to and should receive the earnest support of every person who is interested in human progress and the solution of the great problem of the proper distribution of the wealth that is created." The speaker pointed out and discussed several bills recognized as labor measures passed by the House. Congressman Wilson has been identified with labor and therefore will know the attitude all parties have taken.

The Little Rock Southern Guardian is to be congratulated upon the excellence of its sixty-page historic industrial edition. It is one of the best that has ever come to our sanctum, and reflects much credit on Editor-Manager Victor L. Spaulding, who is now here to attend the Federation convention, visit his old Kentucky home and enjoy a deserved rest. May its size and circulation always increase.

Has anybody here seen F. T. Kelley, who signs himself pastor of the Wesley M. E. church, Twenty-third and Jefferson streets? This Kelley is unduly alarmed over the prospect of the military equipment of a division of tomorrow's parade. Have no fears, dear Kelley. Come out and see the display of Christian patriotism and set your mind at ease.

When Gen. Barry takes command of the Department of the East and Rear Admiral Ward commands the New York navy yard the Guardians of Liberty must become more watchful. These valiant defenders, who would be missing were their services necessary, will now proclaim that Rome rules here.

The Bull Moores made a disappointing showing at their ward mass conventions Saturday night. Though the attendance was very small there were indications that the little new party will be a factor in the future before the passing of another month.

Col. John H. Whallen has had a herculean task on his hands for the past six months, and the fruition of his labors will appear when the greatest parade ever witnessed in Louisville takes place tomorrow. To him be given all credit and glory.

The local sewer and drain workers would advance their cause for higher wages and eight hours in a more substantial way than following the lead of professional labor politicians whose only purpose is to embarrass Mayor Head's administration.

Argus, the political writer of the Herald, predicts that ex-Gov. Beckham will be the next Democratic nominee for United States Senator. Evidently Argus needs a vacation, as this is one of the most improbable of possibilities in politics.

The Kentucky Irish American calls upon every Catholic man who can walk to be in the parade tomorrow. There is a place for everybody.

The Post did not help the Republican party, and is now trying to do the Democrats likewise. But the veneer is too thin.

People who look over the list of Bull Moose committeemen are not at a loss to know who they represent.

May the weather man give us a fair day tomorrow. We have predicted all along that he would.

What a jolt it was for the Post when Judge O'Rear declared for Taft.

MRS. M. J. WINN DIES.

It is with feelings of extreme regret that we chronicle the death of Mrs. M. J. Winn at noon Thursday. Besides her husband she leaves seven daughters. Time for the funeral had not been set when this was written.

CONFIRMATION.

CATHOLIC BASEBALL LEAGUE.

The St. Charles team, the leaders in the Catholic Baseball League, further increased their hold on the pennant last Sunday in an exciting contest, defeating the St. Louis Bertrand team 3 to 2, but were lucky to win as they only made three hits off of the latter's pitcher. Holy Trinity and St. Anthony went into third place together, the former defeating Holy Cross 20 to 5 and the latter defeating St. Martin 6 to 1. St. William stopped the fast coming St. Brigid team at Spring Bank Park by a score of 12 to 5. The interest and attendance is increasing weekly, much credit for which is due to "Babe" Ryan, who has the league working strictly to their slogan of "clean ball." The noblest Roman of them all, "Cack" Barrett, has been added to the staff of umpires. The schedule for tomorrow is as follows: St. William vs. St. Charles, St. Anthony vs. Holy Trinity, Holy Cross vs. St. Martin at Shawnee Park, and St. Louis Bertrand vs. St. Brigid at Spring Bank Park. The standing to date:

Clubs.	W.	L.	Pct.
St. Charles	13	2	.867
St. William	11	5	.688
St. Anthony	8	7	.533
Holy Trinity	8	7	.533

MOURN HIS DEATH.

When God called Henry Middendorf to his eternal reward last Saturday St. Mary's parish lost one of its oldest and most faithful members and Louisville an exemplary and respected citizen. Coming to this city from Germany when only twelve years old, he had made his home here for sixty-four years. Industrious and frugal, he was successful in the grocery business at Ninth and Jefferson streets, from which he retired about two years ago. Mr. Middendorf was a devoted Catholic and was active in the Catholic Knights of America, the Jefferson Society, the St. Joseph's Orphan Society and others connected with St. Mary's church. Besides his venerable wife he leaves three sons, Henry, Ben and George Middendorf, and two daughters, Misses Mary and Anna Middendorf, to whom sincere sympathy is extended. The funeral took place Monday morning from St. Mary's, and the attendance was a tribute to the memory of the deceased.

BRILLIANT NUPTIALS.

The marriage of Miss Edna Buschmeyer and Wilton W. Preis will be solemnized next Wednesday evening at 8 o'clock at the Cathedral of the Assumption, with the most brilliant and elaborate ceremonial. There will be twenty attendants. A large reception will follow their union at the home of the bride's parents, Mr. and Mrs. W. G. Buschmeyer, 1412 Highland avenue. The couple will go to New York and the East on their wedding trip.

CENTENNIAL.

The celebration of the centennial of the advent of the Sisters of Charity of Nazareth to Kentucky, which will be held at the mother house at Nazareth during the week of October 15, will be observed throughout Kentucky, wherever the community has academies, convents or schools. Elaborate preparations are under way to make the occasion a memorable one.

MIDSUMMER EXCURSION.

The Central Committee, C. K. of A., has arranged for a midsummer excursion to Jasper, Ind., on Sunday, September 15, via the Southern railway. This will be the only one out of Louisville this year, and therefore Capt. Oscar Maier and the committee will leave nothing undone that will add pleasure to the trip, the fare for which will be only \$1.50.

LONG MAY SHE LIVE.

Mrs. Mary Carroll, who has owned the Sherman House in Jeffersonville for sixty years, on Wednesday celebrated the eighty-second anniversary of her birth. Many friends called to offer congratulations and express the hope that she may live many years longer. Mrs. Carroll is a native of County Clare, Ireland, and came to America in early womanhood.

RETREAT FOR SISTERS.

For the past ten days the Rev. Raymond O'Keefe, C. P., of St. Louis, has been conducting a retreat for the Sisters of Mercy at their convent on East Broadway. This time has been mostly given to prayer and pious meditation.

RECENT DEATHS.

With regret many friends received news of the death of Mrs. Katherine Nash, widow of Patrick Nash, which occurred Monday morning at her home, 1602 Gallagher street.

The funeral of Miss Gertrude Hook, sixteen years of age, was held Tuesday morning from St. Anthony's church, a large number of mourning relatives and friends attending the solemn obsequies. Besides her mother, Mrs. Elizabeth Hook, 2430 Griffiths avenue, she leaves one brother and two sisters.

Thomas McLaughlin, husband of Johanna McLaughlin and father of Mrs. Richard Rhodes, was called to his eternal rest Tuesday night, leaving a wide circle of friends and acquaintances who mourn his death. For many years he had been a resident of Louisville and was highly respected by all who knew him. The funeral took place yesterday morning from Sacred Heart church, Rev. Father Walsh officiating at the solemn mass of requiem.

Many persons in St. Louis Bertrand's parish and throughout the city were greatly grieved to learn of the passing away on Tuesday evening of a most highly esteemed and kind friend, Mrs. Nora Finnegan Quirk, beloved wife of Martin Quirk, 132 West Breckinridge street. Though she had not been in good health for some time, she was not long seriously ill, and her death came as a sad surprise. Besides her husband she leaves two children, for whom there is felt the deepest sympathy. The funeral was held Friday morning from St. Louis Bertrand's church, from where a long concourse accompanied the remains to St. Louis cemetery.

Following a ten days' illness of organic heart trouble Joseph M. Ryan, Sr., division freight agent of the Baltimore & Ohio railroad, general agent of the Continental Line, Central States Dispatch and one of the best known railroad men in Louisville, died Monday night at his home, 1234 South Brook street. Besides his wife, Catherine Ryan, the deceased leaves four sons, J. M. Ryan, Jr., who is with the Southern Railway Company; George W. Ryan, who is connected with the Baltimore & Ohio at St. Louis; Louis Ryan, an L. and N. clerk; and E. N. Ryan, who attends college. Two daughters, Anna and Helen Ryan, also survive. Mrs. T. J. Leahy, of Louisville, is the only surviving sister of the deceased. Mr. Ryan was a member of the Knights of Columbus and a communicant of St. Louis Bertrand's church, from which his funeral took place Wednesday morning.

LANGAN NIGHT.

The large attendance of Division 4, A. O. H., last Monday evening, due in a great measure to their interest in the parade tomorrow, was a source of pleasure to President John Hennessey and the other officers, as a talk on the benefits of the A. O. H. by James P. Langan, the well known engineer, was one of the best Hibernian addresses ever heard locally. Mr. Langan stated that in all his travels he always found the members of the A. O. H. to be the first in responding to the principles of fraternity and, though allied with other organizations, the Hibernians in his opinion not only practiced the motto of the order, friendship, unity and Christian charity, but they were one of the greatest bulwarks of the Catholic church in no matter what section of the country. Mr. Langan's talk was heartily enjoyed by those present, and he promised to attend the meetings whenever his duties would permit. Two other veteran members were present, Corporal Pat Kenealey and Thomas Dignan, and each delivered a few well chosen remarks.

CHURCHES THRONED.

Thursday was the feast of the Assumption of the Blessed Virgin Mary, and the Cathedral and Catholic churches of the city were thronged at the masses.

Central Committee Approves Arrangements For Parade.

With President John Schalda in the chair and Edward Fox acting Vice President, the Central Committee, Catholic Knights of America, stamped with approval the arrangements reported by State Secretary Meehan for the Federation parade and the reception to be tendered the Supreme officers who will be here for the convention. Charles Hill, of St. Mary's branch, was appointed marshal for the C. K. of A. division, with James Meehan, Barney Coll, John Kelly and Lawrence Steinmetz as aides. Announcement was made that the Uniform Rank would form part of the body that would receive the Papal Delegate, Most Rev. John Bonzano, and escort him to the residence of Right Rev. Bishop O'Donoghue. Col. Joe McGinn and Supreme Delegate H. A. Veeneman reported that the Catholic Knights would have headquarters at the Columbia Athletic Club building, East St. Catherine street, where the Supreme officers and Uniform Rank and band from Jasper would be entertained after the parade. John Kinney, representing the Knights of Jeffersonville, invited all to the meeting to be held Sunday, when the Hibernians and Catholic Knights would make their arrangements for the turn-out. Capt. Oscar Maier announced the excursion to Jasper, Ind., on Sunday, September 15, the only one that will take place this year. If Supreme President Gaudin, Secretary Anthony Matre and Trustee Peter Wallrath accept the invitation, it is the intention to call a Catholic Knights mass meeting for Thursday or Friday night. A glowing description of the float, which represents "Protection," was given.

COUNTY BOARD

Makes Final Arrangements For Hibernians in the Parade.

At the meeting of the County Board, A. O. H., last Friday evening in Bertrand Hall, County President Thomas Dolan and Thomas Keenan, Chairman of the Float Committee, reported on the final arrangements of the order's part in the Catholic Federation parade tomorrow afternoon. Each member will wear a green hat and small American flag and the exact point where the different divisions will mobilize, etc., and other information will be furnished each member. The float is now completed and those who have seen it pronounce it one of the best of its kind and with the addition of the Ladies' Auxiliary float to the Hibernian division of the parade, the members of the order can feel satisfied and proud of their showing. Prof. Dennis Collins and his band will lead and have agreed to render stirring Irish airs along the line of march. President Dolan appointed Hugh Hourigan, Matt Muldoon, M. J. Moriarty and James Welsh as marshals of the Hibernian section of the parade.

FATHER YORK'S PICNIC.

Father Thomas York and the people of St. Paul's congregation are making extensive preparations for their annual picnic at Phoenix Hill Park on Wednesday afternoon and night, August 28. The ticket sale already indicates an immense attendance, and a pleasing feature will be the home coming of the thousand boys and girls who made their first holy communion at St. Paul's church. Besides the various amusements there will be a grand euchre, both afternoon and evening, with many handsome and costly awards, including \$10 in gold, extension dining room table, rocking chairs and other useful household articles. The supper will be served by the ladies, who have arranged an excellent menu. Those who would spend an enjoyable day or evening should not miss Father York's picnic.

FERRY BILLS.

Capacity audiences tell the story of the select summer vaudeville at Fontaine Ferry Park. With the closing now not far distant, special attractions are announced by Manager Bilger for the weeks remaining to complete the season. The show for next week appears to be the biggest thus far and will consist of comedy, singing and other class features presented by entertainers of reputation. Besides Natelli's band there will be two special free attractions, one of them Miss Irene Maher, vocal soloist, who has made a hit, and Robinson's open air menagerie.

FORTY HOURS.

In this city the Forty Hours' Adoration is announced next for St. William's church. Thirtieth and Oak, beginning with the high mass tomorrow morning and continuing until Tuesday. Rev. Father George M. Connor will conduct these beautiful devotions and will have the assistance of a number of the clergy. St. William's church, which has an attractive interior, will be tastefully decorated by the ladies of the parish.

LIGHTNING

Strikes Denver Cathedral and Spire Topples 235 Feet.

Shortly after 2 o'clock Wednesday afternoon, August 7, the west tower of the new Denver Cathedral was struck by lightning, and with a thunder equalling in intensity the report from the heavens, twenty-five feet of the top came crashing to the ground, throwing huge hundred-pound blocks on all sides. The beautiful flamboyant cap crowning the corner spire and set proudly in place two years ago, slid down the west slant of the tower, glanced from the roof, and was imbedded in the ground 235 feet below. With it came a huge segment from the north side of the tower summit, leaving a large gap through to the sky. All the side pinnacles and balconies in the path of the falling rock were carried down with the avalanche. The damage is estimated at \$15,000, partially covered by insurance. Repair work will be begun as soon as the necessary stone can be ordered from Bedford, Ind. The huge scaffolding will have to be reconstructed, and two or three months will be required. The regular work will not be impeded, and capped or otherwise, the handsome structure will probably be dedicated on the original date, October 26, a lasting tribute to the indomitable courage and persistency of the Cathedral parish and its rectory even under adverse conditions. It is considered nothing short of a wonder that nobody was injured.

AWFUL DEATH.

William Neider Falls From Train and Meets Death.

Last Sunday evening hundreds of people at East Broadway and the railroad crossing were sadly impressed when they approached and discovered Rev. Father George Friedrich, of St. Martin's church, administering the last sacraments and people offering prayers for the dying over the mangled body of William Neider, twenty years of age, who had been run over by a Louisville & Nashville train at that point. Young Neider, who was the son of Joseph Neider, 1231 Texas avenue, had been spending the afternoon at a ball game and was returning home on a freight train when he met his awful fate. The unfortunate boy stumbled when he attempted to alight from the moving train and falling to the ground rolled under the cars. Although almost cut in two he retained all his senses and was able to give his name and address. He was removed to the City Hospital, where he died a few hours later. Neider is survived by his father and mother, two sisters, Misses Mary and Theresa Neider, and two brothers, Leo and Peter Neider. His funeral took place from St. Vincent de Paul's church and was largely attended.

CUTS HIGH COST.

On Wednesday, August 28, beginning about 2 o'clock in the afternoon, St. Edward's church at Jefferson town, of which the Rev. Theo. H. Reverman is the pastor, will give its grand picnic at Oechsli's orchard on the Taylorsville road. The Jefferson town cars will run every half hour from the city direct to the picnic grounds. This picnic is always looked forward to, and is noted for the grand supper which is served, and which will make you think that all this talk of the high cost of living is a joke. Come and spend a pleasant afternoon, under the shade of the "Old Apple Tree," and enjoy one of the best chicken suppers of your life. Nothing but specially raised, milk fed chickens are used for this occasion. You are invited to come and have the time of your life.

RIVERVIEW ATTRACTIONS.

The coming week at Riverview Park promises to be one of the greatest of the season from the entertainment standpoint, and in spite of the fact that the season is drawing to a close the interest that is manifested discloses that the summer amusement seeking public has not had its fill of entertainment. Don Philipponi and his band and Miss Susanna Lehmann as soloist continue the principal free attractions, but other diversions are offered in the big swimming pool, the commodious dance pavilion and various amusement devices.

FATHER KLEIN ARRIVES.

Rev. Father Edmund Klein, O. M. C., who succeeds Rev. Jerome Preisser as pastor of St. Peter's church, Seventeenth and Garland avenue, entered upon his new charge last Sunday and was given a cordial greeting by the people of the parish. Father Klein comes here from St. Joseph's church, Grand Rapids, Mich., where he was well liked, his departure being regretted by Catholics and non-Catholics.

MACKIN COUNCIL.

There was almost an overflow attendance at the meeting of Mackin Council last Monday night. Nearly all the evening was devoted to hearing reports of officers and delegates to the Grand Council and completing details for the Federation parade, in which this body expects to make a fine showing. The reception that was to have been tendered the Grand officers was deferred to a later date, in order to give ample time for the arrangement of the programme.

HIBERNIANS.

What They Have Been Doing the Past Week—General News Notes.

Division 1 will hold its regular meeting Tuesday night. Cincinnati Hibernians will tomorrow celebrate Irish day at Chester Park. The County Board expects to see every member of the order in line in the parade tomorrow.

The Holy Father, Pope Pius X., cabled his blessing to the Ohio State convention at Sandusky. Indianapolis Hibernians are celebrating today at the State fair grounds with an old-time Irish field day.

Not the least artistic and handsome floats in Sunday's big parade will be those of the Ancient Order and the Ladies' Auxiliary. There will be two meetings Wednesday night—Division 2 and the Ladies' Auxiliary. The officers hope for a large attendance.

County President Dolan was given a cordial reception in Jeffersonville last Sunday. Division 1 of that city promised to make a good showing tomorrow.

The annual reunion of the New Albany Hibernians at Glenwood Park on Wednesday was largely attended. Everybody had a pleasant time and the result was most gratifying.

There will be no meeting of Division 3 Monday night. This decision was reached in order that officers and members could attend the Catholic Federation exercises at the Armory.

The County Board last night began preparations for the State convention to be held here next month. National President Regan, of St. Paul, and State President Donnelly, of Covington, will arrive here this evening.

Remember that the Ancient Order will form at Eighth and Broadway for the great Sunday parade. Head of column will rest on Eighth and Broadway on south side, the column lying north and south and immediately following St. Patrick's. The Hibernians will form the ninth division of the western section.

CLIFF HAVEN.

The Lady day fete, the grand religious celebration of the Catholic Summer School at Cliff Haven, with an attractive and salubrious weather setting, made of Assumption day an occasion of great beauty and splendor. With all the solemn devotion of a Brittany pageant of piety, and more than 1,000 persons in reverent retinue leading the way to the improvised altar scene facing the lake, the procession was one of gripping grandeur. More than 100 girls in white, followed by a like number of boys in formal dress, preceded the immediate escort to the Blessed Sacrament, comprising hundreds of devout adults. The triduum that preceded the solemn fete was made the object of a stirring plea of expression prepared in fitting manner for the grand function. A thousand or more kneeling figures on the smiling earth in impressive silence for the solemn benediction, formed an edifying and pleasing spectacle not soon to be forgotten. This Lady day fete is the big celebration at the zenith of the season and many arrived specially for the occasion.

READY FOR THE RACES.

Manager Hachmeister has everything ready for the fall race meeting at Douglas Park, and from the number of entries received great sport is assured, as the list includes the star horses of the American turf. The announcement that Charles F. Price would preside in the judges' stand gives great satisfaction everywhere and is a guarantee that there will be only fair racing. For a month past Manager Hachmeister has had a large force of men at work making improvements, and when the gates of Douglas Park are thrown open the eye will gaze on a race track not surpassed by any on this continent.

ENGINEERS AND FIREMEN.

An old fashioned picnic and outing will be given next Wednesday, August 21, at Fern Grove under the auspices of the B. of L. E. and the B. of L. F., and there will be a morning and afternoon boat to transport the crowds, the morning boat to leave at 9 a. m., and the second 1:30 p. m. The railroad boys have reputations as entertainers and those attending can be assured of a pleasant day. There will be a ball game and a number of field contests.

HOLY NAME RALLY.

The Holy Name Societies of Newport and vicinity are formulating plans for the annual Holy Name rally, which will take place in Newport on Sunday, October 6. At a general committee meeting held in the Knights of Columbus hall James Champ was elected Chairman, with Dan Venard as Secretary. It is expected that thousands of men will participate in the parade that will take place that day.

morning at St. Mary's, Notre Dame, Ind., and officiated at the reception of novices into the order of the Sisters of the Holy Cross. From there he left for Louisville and will arrive today to attend the Catholic Federation convention.

DIOCESAN DELEGATES.

The Diocesan delegates in next week's convention will be the Rev. James P. Cronin, V. G., Rev. George Schumann and Eugene J. Cooney.

SAILED FOR EUROPE.

Edward J. O'Brien, the noted tobacco buyer, and James G. O'Brien sailed Thursday from New York on the steamship America for Hamburg. They will spend a month in Europe and visit a number of the larger cities there.

ROOMS FOR LADY VISITORS.

The Catholic Woman's Club is prepared to furnish meals and lodging at the club house, 615 West Walnut street, to any and all lady visitors to the Federation convention. By communicating with Miss Myra Burns, the matron, over either phone, satisfactory arrangements can be made.

PROUD DADDY.

Dan Marra, of Jeffersonville, feels that he is the biggest man in Southern Indiana since the Stork left luscious twin baby boys at his home on East Court avenue. Friends have been overwhelming him with congratulations and helping him properly celebrate. The christening will be one of the big events of the year in Jeff.

On semi-tailored waists in white a touch of color appears in girlies, buttons, vests and collars. Dark waists have white trimmings.

KNIGHTS OF COLUMBUS.

Late News That Will Interest Members Here and Elsewhere.

Boston will have the national convention next year.

The Daughters of Isabella have two courts in Indiana.

Washington was favored as the location for the new national home. Rooms will be furnished in the new hospital at East Liverpool, Ohio, by the Knights of that place.

Little Falls Knights have contributed \$400 for new curtain, scenery and stage settings for St. Mary's Hall.

The Knights of Manchester, N. H., have caused to be removed from the public library there literature defamatory to Catholic truth and the church and its ministers.

Hereafter representation in State Councils will be one delegate in addition to the two already allowed for each 300 members, on condition that no council be represented by more than four delegates.

P. H. Callahan and Bob Watson, of this city; James Rogers, of Lexington, and Frank O'Donnell, of Maysville, Kentucky representatives, were accompanied by their families, at the Colorado Springs convention.

The four Supreme Directors elected at Colorado Springs last week were Daniel J. Griffin, of Brooklyn; Clarence Martin, of West Virginia; William Gulliver, of Maine, and J. Martin, of Wisconsin. Other Supreme officers are elected biennially.

DOUBLE HEADER WITH BLUES.

Manager Jack Hayden and his wandering Colonels will play a double header with the Kansas City team tomorrow, ending the series there, and will then jump to Milwaukee for four games. Milwaukee and Kansas City are both fighting hard for the fourth position and the Colonels are between the devil and the deep blue sea in both of these series, as Managers Carr and Duffy have promised first division teams to their respective cities. The home series of the Louisville team proved conclusively that their weakness could be attributed to two positions, behind the bat and third base, many of their games being lost through poor defensive work at these two points. The pitching of Toney, Clemens, Moskman and Vallandigham would have won games day in and day out, to say nothing of Lauderhill's efforts when he was trying, but the above mentioned weaknesses, coupled with light hitting, was too serious an obstacle to overcome.

FOR GERMAN DAY.

Arrangements for the celebration of German day on August 26, at Phoenix Hill Park, are now about completed, and from all appearances it will be a great success. Especially in German circles the affair is attracting so much attention as to almost overshadow any other local event of a similar nature ever held here. An outpouring of Americans and Germans alike is looked forward to by the management of the affair. The Committee on Arrangements has been busy many weeks in selecting a many-featured programme calculated to appeal to the sense of humor as well as serious thought of the visitors. All the German societies of Louisville have declared their intention of participating, carrying their flags and banners, the latter to be placed in a group about the speaker's stand. Ex-Gov. Willson and Congressman Bartholdt will address the gathering.

BUILD NEW HOTEL.

J. J. Gaffney, the well known architect and owner of the Guthrie lots on Walnut street, between Second and Third, announced Saturday that he had organized a company and would soon build a \$300,000 hotel on the property. Architect Gaffney declared the new project involved the establishment of a moderate priced hotel, modern in every way but dissimilar to the large hotels now here and novel in this respect. Prices for guests, he said, would be fixed on a basis of fifty cents and \$1 per room. The building will be six stories high and contain 250 rooms. Work will begin this fall and will be pushed to have the building completed by early spring.

OFFICERS ELECTED.

The Hibernians of Indiana, at their State convention at Kokomo, elected the following State officers to serve for the next two years: President, P. B. Walsh, Terre Haute; Vice President, S. J. Hannigan, Lafayette; Secretary, W. H. Foley, Indianapolis; Treasurer, Robert E. Kelly, Fort Wayne; Chaplain, Rev. M. J. Byrne, Lafayette.

UNCONFIRMED.

There is a rumor that the diocese of Denver is to be divided and a new diocese created either in the western or southern portion of the State of Colorado. No authentic information regarding either report is at hand.

BACK HOME.

Mrs. Rose Ansbach, of 1621 West Broadway, returned Wednesday from a month's visit to Chicago. During her absence Mrs. Ansbach attended every session of the Hibernian national convention and was entertained at a number of Ladies' Auxiliary and other social functions during her stay in the Windy City.

ELECTED LIFE MEMBER.

Rev. P. J. McGivney, pastor of St. Francis' church at Middletown, Conn., has been voted a life membership in the Ancient Order of Hibernians. Father McGivney is the National Chaplain of the Knights of Columbus. The honor is unique in Connecticut, and it has been seldom voted to anyone. The membership card is of silver with the recipient's name enameled.
